

Food & Drink Policy

The Geneva Public Library (“the Library”) maintains this policy to ensure the continued performance of computers and other technology as well as the condition of books, furniture, and other equipment.

No eating is allowed in the Library except in the employee break room, employee offices, or in conjunction with Library approved programs. Covered, spill-proof drinks are allowed in the Library, except near Library computers. Library employees maintain the right to require patrons to remove food and/or drink.

Drinking alcoholic beverages on Library premises is prohibited except for in Library sponsored programs approved by the Board of Trustees.

Patrons who do not follow this policy may be prohibited from using computers or other Library equipment, or required to leave the Library.

Adopted by the Board of Trustees: February 3, 2012

Amended by the Board of Trustees: 4/27/2016, 4/26/2017, 4/29/2019
